SECTION 1. SHORT TITLE.

This Act may be cited as the “Safe and Timely Interstate Placement of Foster Children Act of 2006”.

(1) the States should expeditiously ratify the revised Interstate Compact for the Placement of Children recently promulgated by the American Public Human Services Association;

(2) this Act and the revised Interstate Compact for the Placement of Children should not apply to those seeking placement in a licensed residential facility primarily to access clinical mental health services;

(3) the States should recognize and implement the deadlines for the completion and approval of home studies as provided in section 4 to move children more quickly into safe, permanent homes; and

(4) Federal policy should encourage the safe and expedited placement of children into safe, permanent homes across State lines.

SEC. 3. ORDERLY AND TIMELY PROCESS FOR INTERSTATE PLACEMENT OF CHILDREN.

Section 471(a) of the Social Security Act (42 U.S.C. 671(a)) is amended—

“(26) provides that—

“(A)(i) within 60 days after the State receives from another State a request to conduct a study of a home environment for purposes of assessing the safety and suitability of placing a child in the home, the State shall, directly or by contract—

“(I) conduct and complete the study; and

“(II) return to the other State a report on the results of the study, which shall address the extent to which placement in the home would meet the needs of the child; and

“(ii) in the case of a home study begun on or before September 30, 2008, if the State fails to comply with clause (i) within the 60-day period as a result of circumstances beyond the control of the State (such as a failure by a Federal agency to provide the results of a background check, or the failure by any entity to provide completed medical forms, requested by the State at least 45 days before the end of the 60-day period), the State shall have 75 days to comply with clause (i) if the State documents the circumstances involved and certifies that completing the home study is in the best interests of the child; except that

“(iii) this subparagraph shall not be construed to require the State to have completed, within the applicable period, the parts of the home study involving the education and training of the prospective foster or adoptive parents;

“(B) the State shall treat any report described in subparagraph (A) that is received from another State or an Indian tribe (or from a private agency under contract with another State) as meeting any requirements imposed by the State for the completion of a home study before placing a child in the home, unless, within 14 days after receipt of the report, the State determines, based on grounds that are specific to the content of the report, that making a decision in reliance on the report would be contrary to the welfare of the child; and

“(C) the State shall not impose any restriction on the ability of a State agency administering, or supervising the administration of, a State program operated under a State plan approved under this part to contract with a private agency for the conduct of a home study described in subparagraph (A).”.

(2) REPORT TO THE CONGRESS.—Within 12 months after the date of the enactment of this Act, the Secretary of Health and Human Services shall submit to the Committee on Ways and Means of the House of Representatives and the Committee on Finance of the Senate a written report on—

(B) the reasons given for utilizing the extended compliance period;
